EMERGENCY FLOOD WATER PROCEDURES

For establishments in areas along any rising flood water the following procedures will be followed:

1) Establishment shall notify the Nebraska Liquor Control Commission (NLCC) by either e-mail or fax identifying:
    a. Where the alcohol will be moved; address
    b. How the alcohol will be secured

2) NLCC will acknowledge transfer of alcohol in writing; will also notify Nebraska State Patrol

3) The off-site storage shall be allowed for a reasonable time until it is safe and secure to return the product to the licensed location. Please notify NLCC at this time via e-mail or fax.

4) Any container or package of alcohol in contact with flood water must be destroyed. Document the brand and amount.

Special Designated Licenses may need to change locations or dates. Any request should be sent to the NLCC via e-mail or fax.
